

# ABC Training Center is now a Member of the American Medical Billing Association (AMBA)

The American Billing Association( AMBA) assists in networking opportunities for all its members. This association allows our Medical Billing and Coding students to connect with various sites for internship and hiring opportunities.

“Our ultimate goal is to provide members with medical billing and related resources that enhance knowledge and skills to develop new ideas and technology, collectively increasing and realizing true industry growth and leadership among medical billers and consultants

Our focus is centered on:

- . Providing information and knowledge
- . Offering continuing education and ongoing research
- . Developing innovative ideas and new technologies
- . Gaining recognition for our accomplishments
- . Providing leadership in the industry; and
- . Offering fellowship and fun to members”

-AMBA Website Information

Summer , spring, fall and winter ABC Training Center has classes available year round.
